Additional Lyrics

4. Space may be the final frontier,
But it's made in a Hollywood basement;
Cobain can you hear the spheres
Singing songs off station to station?
And Alderon's not far away;
It's Californication.

5. Destruction leads to a very rough road
But it also breeds creation;
And earthquakes are to a girl's guitar,
They're just another good vibration
And tidal waves couldn't save the world
From Californication.
