- ✶ Practise the semiquaver passages carefully, using different dotted rhythms, so that eventually you can play them very fast and evenly.
- ✶ What key is this piece in? Practice the scale slowly and then gradually increase the speed.
- ✶ Improvise or compose a short piece using a variety of articulations found in this piece – accents, tenuto, sforzando, for example.

3d

Dances from Kecskemét*

Gergo Vallasa
