JAMES MORRISON FEAT. NELLY FURTADO

Broken Strings

Words & Music by James Morrison, Nina Woodford & Fraser Thorneycroft-Smith

This mid-tempo ballad from Morrison's second studio album *Songs For You, Truths for Me* about the struggle at the close of a relationship that is beyond repair, became his most successful single to date by breaking into the UK Top 10 following his live performance of the song on UK TV with Girls Aloud.

Hints & Tips: It is useful to practise scales in the same key as a piece you are learning, helping the fingers to become familiar with the correct patterns; for this song in C major it would also be useful to practise arpeggios. In keeping with the feel of the music, produce a gentle, warm tone.
